QUALITY STANDARD

Quality indicates the best attribute or character of any goods. It enhances the importance of those goods. So, we are very conscious of quality fabrics. We always follow quality standards for the export quality fabrics as per buyers' requirements. Hence, we are now maintaining the following nominated quality standards as per our buyer's requirements:

- 1.SGS Test Standard
- 2.MTL Test Standard
- 3.ITS Test Standard
- 4.CTL Test Standard

BASIC INFORMATION

Raiment Fabrics BD. is a 100% Export Oriented Fabric Manufacturer & Supplier, established in the year 2018. The quality standards are engaged in the manufacturing of pocketing fabric as well as shell fabric. Under the profound guidance of the Managing Director, Directors, and skilled employees our company has gained immense success and earned goodwill in the textile industry.

The Managing Director is guiding our team with his wide experience and skill. We've come a long way and always try to keep buyers from around the world. We think the boundless efforts will always keep Raiment Fabrics BD. as a unique name in the Textile Sphere. Raiment Fabrics BD. is applied for membership in the Bangladesh Textile Mills Association (BTMEA). The company has a team of dedicated professional workers who are earnestly sincere and careful about their responsibility to produce quality fabric. Our product is made using top-quality yarn that is procured from reliable sources. We make use of good in-house infrastructure and machines as well as simple hand tools that help in producing quality fabric in large volumes and varieties. Our team of talented employees and a strong workforce is our asset that ensures quality finished fabric. We are dedicated to offering timely delivery of goods and services at affordable prices.

WORK ENVIRONMENT

We make sure our employees get all the modern facilities. That's why our permanent office is decorated with renowned interior designers and equipped with all possible facilities that are mandatory for a comfortable work environment. Besides we also ensured a safe and spacious workplace for our factory workers. We set up our machinery in such a manner that anyone can move easily while working and maximum safeties remain intact. Moreover, our factory is situated in such a place where daylight is enough and air circulation is abundant.

MESSAGE FROM THE DIRECTORS

I think, in the era of globalization and information technology, the world has turned into a global village with communication and connectivity – the ultimate key to development and economic emancipation. Moreover, globalization and its all-pervasive impact on states and their economies have made life more competitive, complex, and technology-driven. With the economy as the main focus of national development, proximity has turned meaningless and thus globalization has become the key tool for economic sustainability. Raiment Fabrics BD. started its business in the year 2018 intending to supply quality fabric to the local garment factories and buying-houses. Raiment fabrics BD. is one of the largest quality fabric suppliers in Bangladesh.

I hope that the cordial relations with all the valued clients will remain intact as partners of prosperity and we also look forward to developing more successful relations with potential clients in the future. It will certainly help us grow and serve the stakeholders even better in the days ahead

Md. Halimuzzaman
Managing Director
